Describe what makes the nominated tank unique.	<p>It stands on 4 legs. Is empty. It's not too pretentious or full of itself. It simply says – "I am me and I like myself" Climb me if you dare – but please show respect. I am old and sturdy – not dainty – so you can be a little rough.... but not too rough. As I am over 100 years old and I am the landmark and logo of my community. I hope to remain long after this contest has run its course and only pray I don't come in last place – cause then I'd kill myself and it would be all your fault. Signed "Old Town Tank"</p>
